

Compare with Value Pak

Materials:

- base ten blocks (cut out)
- one digit numeral cards (cut out)
- place value mat

Directions:

1. Work with a partner. Shuffle the numeral cards and place them facedown.
2. Both players: Turn over 3 cards to make a 3-digit number. Represent your number on a place value mat using base ten blocks.
3. Compare your representations. Record your comparisons using the symbols $<$, $>$, or $=$ on the chart below.
4. Repeat steps 1-3 for 9 more rounds.

ROUND	Player 1 3-digit number	$>$, $<$, or $=$	Player 2 3-digit number
