Alpha Pig’s Name Game
El juego de los nombres de Alpha Pig

Alpha Pig loves to eat Apples. Alpha Pig and Apples start with the letter A. Ask your child to find items at the grocery store that start with the first letter of his or her name. Have your child write or draw a picture of the items in the spaces provided.

A Alpha Pig le gusta comer “apple”. Alpha Pig y apple empiezan con la letra “Á”. Pide a tu hijo que encuentre artículos en el supermercado que empiecen con la primera letra de su nombre. Haz que tu hijo escriba o dibuje los artículos en los espacios correspondientes.
Can you spy these fruits and vegetables at the grocery store? As you find each one, encourage your child to call out its name. Now explore letters and words by asking such questions as, “What letter does pepper start with?” Now look for other items in the store that begin with this letter and draw them in the empty squares. You’ll be building literacy with each new discovery.

¿Puedes encontrar estas frutas y vegetales en el supermercado? Al irlas encontrando, anime a su niño a decir sus nombres. Exploten letras y sonidos utilizando preguntas como: ¿Con qué letra empieza "pepper"? Después busquen otros productos que empiecen con la misma letra y dibújienlos en los espacios vacíos. Estarán fomentando el vocabulario con cada nuevo descubrimiento.

Storytime Stick Puppets

Puppets are a fun way to tell stories. Make puppets of Molly and her family and friends, and use them to retell a story you watched. Or you can take Molly on a new adventure by making up your own story!

Materials

- Printouts of characters and props
- Scissors
- Craft sticks or pencils
- Tape

A prop is an object, such as a book or a chair, that a character uses in a play, puppet show, or other performance. Using props helps characters tell a story.

Make Your Puppets and Props

1. Print the following pages on card stock or glue them to heavy paper. Use scissors to cut out the characters and props.

2. Place the puppet cutouts face down on a table.

3. Tape a craft stick (or pencil) to the back of each one. Position it so that half of the stick is below the bottom edge of the paper.

4. Now your puppets are ready.

Put Your Puppets into Action

There are lots of ways to play with your puppets! You can make your puppets act out a story or sing and dance. You can also learn a new fact about something you are interested in and have one puppet explain it to another.

Think about what you want your puppets to do. Pick the characters and props that will help you tell your story. Then, put on a puppet show! It can be a show you make by yourself or a show you create with someone else. You can put on the show for your family or friends. Or you can record it and watch it yourself.

Make More Props

You can design your own props, too! Draw pictures of other objects that you want to have in the stories you tell with your puppets. Cut the objects out, tape them onto craft sticks, and add them to your prop collection.

You can also make a simple puppet theater out of an empty cereal box. Find directions here: https://www.pbs.org/parents/crafts-and-experiments/mini-pencil-puppet-theater
