

# Hunt For Shapes

**Direction:** Hunt for shapes in the picture. Record how many of each shape are in the picture.

A horizontal bar containing four sets of shape identification tools. Each set consists of a solid shape followed by a line with three dots and another line.

- 1. A square, a line with three dots, and another line.
- 2. A triangle, a line with three dots, and another line.
- 3. A rectangle, a line with three dots, and another line.
- 4. A circle, a line with three dots, and another line.
