# HOW TO USE THIS PACKET

Check off missions as you complete them to track your points for the Learn Everywhere Challenge!

Some missions require you to complete an activity guide that can be downloaded from our website. No printer? No problem!

Complete the guide digitally using a document editor, or complete the activities on a scrap piece of paper.

Submit your points total at the end of the challenge to share your achievements. Depending on how many points you earn, you will be eligible to win different prize packages from the Michigan Learning Channel and your local PBS station.

Get the new missions tracker every week to see each week's missions and keep learning everywhere!
